

INDIAN LAKE COUNTRY CLUB

2011

Dear Prospective Member,

Thank you for your interest in membership at Indian Lake Country Club.

There has never been a better time to join our club.

This document provides a general overview of Indian Lake Country Club, some of our activities and amenities, as well as specific information on membership types and fees.

We have a variety of golf opportunities ranging from league play to formal tournaments to the informal Thursday evening scramble open to all golfing members. All of these events are in addition to open tee times every day of the week!

Our social calendar is also filled with a wide range of events including the Valentine's Day Formal Dinner and Dance, Annual Pig Roast & Pool Party, Breakfast with Santa, and the New Year's Eve Bash. These are but a few of the many social opportunities the club has to offer.

And here's the best part...

We are currently offering Membership Specials for 2011!

I would welcome the opportunity to meet with you, give you a tour of our facility and introduce you to our Indian Lake family. Please feel free to call me at **317-440-0943** to set up a time to meet at the club. In the meantime, don't hesitate to contact me with any questions or concerns.

Thanks again for your interest in making ILCC your new home for golf and social entertainment. I look forward to seeing you at "the lake"!

Sincerely,

Tim Hornung, Chair
Indian Lake CC Membership Committee

During preferred tee times, if there are no preferred-tee-time players preparing to tee off from the #1 tee and other players can play hole # 1 such that those with the preferred tee time do not have to wait for the players to play their second or subsequent shot, players may tee off from the #1 tee and continue normal play of that round so long as the play of those with preferred tee times is not interrupted by the other players' presence.

Closing the Course The Course Superintendent and the Director of Golf shall jointly make all initial determinations regarding the opening or closing of the golf course or limiting cart use on the course due to adverse weather conditions.
